## TECHNIQUES FOR GOLF CROQUET

New and improved 2nd Edition

by Greg Bury

QUEENSLAND AND AUSTRALIAN TEAM REPRESENTATIVE

Regardless of whether you are a beginner or an experienced player, there is something for everyone. This new and improved edition has an additional 23 pages and 71 photos.

*Topics include:*

- The Fundamentals
- How to Improve
- Making Decisions
- Tactical Play

The Drills section not only shows how to set up each drill but also provides objectives and handy hints. For the more competitive player there is a table that can be used to determine your average and personal best for each drill.
