AUSTRALIAN GOLF CROQUET CHAMPIONSHIPS
Hunter Valley/Central Coast NSW
GOLD MEDAL, MEN'S & WOMEN'S SINGLES and WCF INTERSTATE SHIELD
21 AUGUST – 1 SEPTEMBER 2013

STANDARD CONDITIONS OF PLAY FOR ACA GOLF CROQUET EVENTS

1. All events will be played under the WCF Rules of Golf Croquet adopted by Croquet Australia, and the Australian Tournament Regulations (available on the ACA website).
2. The Australian Handicapping System is in force for this Tournament, and entrants are to have a current Golf Croquet handicap. A handicap may be assigned by the Tournament Manager in terms of the Appendix to the Rules of Golf Croquet.
3. Players are to ensure that they have their ACA Handicap Cards with them to present to the Tournament Manager or his representative before each event commences. Handicap cards should be completed after each match. If players reach a trigger point their handicap changes immediately after that game.
4. Croquet Australia reserves the right to refuse any entry without assigning a reason and to have final arbitration on any question that may arise.
5. All competitors who have not already provided an address, telephone number or email address at which messages can reach them during the events should provide this information during registration.
6. Courts will be available for practice up to 7.45am each day and after the completion of play for the day, subject to requirements for dressing courts and maintenance. The Tournament Manager's approval should be sought for such practice, and players' assistance in preparing and clearing lawns will ensure that this practice can continue.
7. Hoops are to be set as near as possible to 3 11/16 inches. To allow for inaccuracies in gauges, balls, hoops and setting techniques, a tolerance of $\pm 1/32$ inch is allowed. Players are asked to help set the hoops at the start of the day if necessary.
8. Hoops may be reset at any time on the request of the player in play. Law 53(b)(3) applies in this event. Any hoop out of specification will be reset, subject to the approval of any double-banked player on court who is about to use that hoop.
9. Dawson International balls will be used.
10. Court allocations may be changed by the Tournament Manager and games will be double banked as required.
11. There will be a Referee at each court to act as required. Where there are not sufficient referees present to be in charge of each game, referees will be supervisory.
12. Players' attention is drawn to Rule 14 of the WCF Golf Croquet Rules book regarding Etiquette, which also covers expedition in play, and to Tournament Regulation 12 concerning responsibilities of players.
13. Players are to wear neat and appropriate sporting attire and flat-soled shoes (ie shoes, the soles of which do not mark the court). Players choosing to wear sandals shall, as all players should, be conscious of surrounding play in order to ensure their own safety. A player presenting at the venue in unsuitable attire will be given the opportunity to dress appropriately or will not be permitted to participate in the event.
14. Matches will commence at 0900 during the Gold Medal on 21-23 Aug, but otherwise shall commence at **0800 sharp** unless otherwise indicated. Players are asked to be at their designated court before the scheduled starting time.
15. All games will be un-timed. However, the Tournament Manager may impose a time limit if necessary.
16. Players are allowed a break of up to 5 minutes between matches and a lunch break of up to 30 minutes, but such breaks can be waived by mutual agreement of the players. No break is allowed between games in multiple game matches - games should be 'seamless' and players are expected to commence play in the second and third games immediately after the completion of the previous game. The Tournament Manager will ensure games go on expeditiously to enable completion of the scheduled program.
17. Players must inform the Tournament Manager if they wish to leave the Tournament Venue for any reason.
18. The Tournament Manager decides whether play in any match should continue if the weather is deteriorating.

19. The Tournament Manager in consultation with the Executive of Croquet Australia may alter the program, draw and other arrangements as are necessary in order to complete the tournament in the time available. If available, lights may be used at the Tournament Manager's discretion.
20. An appeals committee under ACA comprising the Tournament Manager, the Tournament Referee and a member of the ACA Executive (or nominated representative) shall determine any matters that are in dispute during the course of the tournament.
21. Should an overseas player win an event, the perpetual trophy shall remain in Australia in the custody of ACA. All winners of trophies are requested to obtain a quote for the cost of appropriate engraving and obtain approval re that quote from the Administrative Officer of ACA before proceeding.

Programs will be available on the ACA website, plus hard copies at the Singles Registration at Maitland Bowling Club on Friday 23 August from 6 pm.

Golf Croquet Gold Medal of Australia (21 – 23 August 2013)

1. Each player shall play each other player thrice in a triple round robin of 13 point games. Players are seeded by the latest available GC World Ranking List (at 2 August 2013).
2. A coin will be flipped before each game to decide who hits off first in that game.
3. Any competitor withdrawing, or forfeiting more than one game, shall be scratched from the competition and scores for and against shall be deleted from the tournament results. Completed games still count for AHS & world ranking purposes.
4. Positions shall be determined in accordance with the ACA Regulations for Tournaments. The winner of this event will receive the Australian Golf Croquet Gold Medal and the second placed player will receive the Australian Golf Croquet Silver Medal. The other four state winners will be presented with their Australian Golf Croquet Bronze Medals.

Golf Croquet Men's & Women's Singles Championship of Australia (24 – 27 August 2013)

1. The Draws were conducted by the ACA Tournament Committee, with help from ACA Events & GC Selection Committees, using the ACA Seeding and Draw procedures. The GC World Ranking List as at 2 August 2013 was used for seeding purposes. The format for the Singles is as follows.
 - a) Blocks seeded, with members of the same family placed in different blocks, and players from the same State spread between blocks. Women will play each other player in the block once in a single round robin of 13 point games. Men will play each other player in the block once in a single round robin of best of three 13 point games.
 - b) Players will be drawn for the knock-out phase based on final placings in initial blocks. In the Men's, the top two players in each block will proceed to the final 16 knockout stage of the event. In the Women's, the top four players in each block will proceed to the final 16 knockout stage of the event. Women's block placings will be determined by games won, but players tied on games will then play-off to determine placing. Men's block placings will be determined by matches won, then net games, then net points or other method at the Tournament Manager's discretion.
 - c) The knockout will be played as best of three 13 point games, with the Semi-Finals & Final played as best of five 13 point games (time permitting).
 - d) The Plate event will be conducted as multiple blocks or Swiss with a knockout final.

WCF Interstate Shield for Golf Croquet Teams (28 August – 1 Sept 2013)

1. States may name no fewer than 8 players (4 men and 4 women) nor more than 10 players (5 men and 5 women). Reserves are permitted under Clause 5 below. If one or more State(s) is/are not able to provide a full team of four men and four women, but can provide at least two men and two women, the Host State or other States, in consultation with said State, may provide additional players to make up a full team and allow the State to participate.
2. A playing or non-playing Captain shall be appointed by each State and advised to the Administrative Officer.
3. The draw was seeded by the ACA Events Committee based on the results of the previous interstate teams event for Golf Croquet. Tests will be played as per the draw set out on p16 of this Program.

4. On the day scheduled for any Test:
 - i. The names of the players, including doubles pairings, shall be notified by each Captain, Vice-Captain or Team Manager to the Tournament Manager or Venue Manager at least 20 minutes before the commencement of each Test. In each Test four men players and four women players must be selected to play singles but the players selected to play doubles can be different members of the team from those playing singles. The order of play for singles matches shall be in accordance with the GC World Ranking List as at 2 August 2013, which was that used for the Gold Medal and Men's & Women's seedings. Doubles teams are not required to conform to world rankings;
 - ii. Individual members of teams may be varied for each separate Test. Apart from the arrangements permitted under clause 5, individual members of a team may not be varied during a Test, unless a player is incapacitated by sickness or accident (but not for a pre-existing illness or condition). In such event, a reserve player may fill his or her place in the team for any match not already commenced, except for the second round of singles. Such substitution must be reported to the Captain of the opposing team and be sanctioned by the Venue Manager in consultation with the Tournament Referee. The second round of singles must be played with the same players who played in the first round of singles of that Test. If a player is not available for the start of their second singles match in a Test, then a forfeit will be awarded (score 7-0, 7-0). If a match is started but is unable to be completed, it will be conceded (the score recorded as 7 to the winner and the score to the opponent as at the time of concession).
5. Each team is entitled to nominate one or more players, any of whom may, prior to the commencement of the Test, act as a substitute for a player. If the occasion arises that no substitute is readily available, a reasonable time shall be allowed to obtain a substitute, and the Team Schedule shall be adjusted accordingly. If the team concerned is unable to nominate a substitute within the given time, the match for that player shall be forfeited (7-0, 7-0).
6. Each team will play every other team once. A Test comprises twenty matches: 4 mixed doubles and 16 singles. Mixed doubles shall be played first then the singles, women versus women and men versus men. In the Mixed Doubles, States may pair any male and female player together and then determine which of their four pairs are to be 1, 2, 3, and 4. Matches, each of two 13-point games, shall be played in the following order:
 - Court 1: Mixed Doubles 1, MA1 v MB2, WA1 v WB2, MA2 v MB2, WA1 v WB1.
 - Court 2: Mixed Doubles 2, WA2 v WB1, MA2 v MB1, WA2 v WB2, MA1 v MB1.
 - Court 3: Mixed Doubles 3, MA3 v MB4, WA3 v WB4, MA4 v MB4, WA3 v WB3.
 - Court 4: Mixed Doubles 4, WA4 v WB3, MA4 v MB3, WA4 v WB4, MA3 v MB3.
7. Team Captains will toss before each Test to determine which State plays as "A" and which plays as "B".
8. To ensure that each side starts one of the two games in each match, Rule 5(c) is varied and the side that lost the toss for the first game will start first in the second game, using either of their partner balls, regardless of who won the first game.
9. As a trial (2013 only), there will be a time limit of 3 hours to complete each match (ie 2 games). On the bell, players will finish the current hoop. If then tied on hoops in that game, play a further hoop to decide the game. If hoops not tied, declare a winner for that game.
10. Should a team be unable to complete all Tests, scores for and against that team will be deleted from the results.
11. The team that wins the most matches wins the Test, but:
 1. if matches are equal, the team that wins most net games;
 2. if scores are still equal, the team that wins most net points;
 3. if scores are still equal, the Test shall be a tie and each team shall score half (1/2) a Test point.
 4. a team winning the Test shall score one (1) Test point.
12. The winner of the Interstate Shield is the State Team scoring the greatest number of Tests, but:
 1. If Test points are equal, the team that wins the most net matches in all Tests;
 2. if net matches are equal, the greatest number of net games in all Tests;
 3. if net games are equal, the greatest number of net points in all Tests;
 4. if net points are equal, the winner of the Test between the teams.

If this Test was tied, the trophy shall be shared by both State teams.
13. The Tournament Manager is authorised to make decisions to vary the conditions of play as required; and in particular to ensure that as far as possible, each Interstate Shield Test is completed in one day.
