### **Event #1: Open AC Doubles**

### **Event #2: Open AC Singles**

Format for the both Championships will depend on the number of entrants, but is expected to be played as blocks, followed by knockout rounds with best-of-three or best-of-five games, played over 3 days (Doubles) and 6 days (Singles).

Seeding by the ACA AC Selection Committee will take account of world ranking at the time of the draw.

There will be consolation plates, but details of these will be finalised once final numbers are known.

Players must be prepared to play at any reasonable time during daylight hours and may be required to play under lights. All games may be double banked except semi-finals & the final (if lawn availability allows).

**Detailed conditions can be found in the Event Program available on Registration.**
